Description:

Discover Sustainable Living at Edificio Erandi, Alicante

Edificio Erandi offers a total of 61 homes with options ranging from 2, 3, and 4 bedrooms. Along with parking spaces and storage rooms, it features pools for adults and children, green areas, and chill-out zones, making Erandi a recreational hub for all residents. Bask in the light of Alicante's city and its privileged climate. Its advanced A+ energy efficiency system makes it entirely sustainable.

Situated in La Florida, one of the most emblematic neighborhoods of the Alicante capital, Erandi stands in a district skillfully combining narrow streets with wide avenues and charming squares, all with a vibrant community life. Local traditions and festivities are deeply rooted here, with traditional businesses coexisting with innovative shops and a wide range of services.

An eco-friendly housing developer brings its sustainable model for construction and property sales to Alicante. With a commitment to innovation, design, efficiency, and environmental care, the developer positions itself as a reference in the city. This new model of sustainable housing, based on the latest trends challenging the traditional model, converges in your new home. All of this, with a responsible and realistic approach to the current situation.
